

TELL THOUSANDS ABOUT YOUR BUSINESS.

Marcan Advertising, Inc.

Central Pennsylvania's original Ad placemats since 1974

Affiliated restaurants use our placemats on their tables, and some also use them as their menu. They place folded copies on their counters, enclose them with take-out and delivery orders and we place all of them online every month. We will create your ad and make monthly changes at no charge. Everybody reads our placemats even those who say they don't. All affiliated restaurants are under a written contract with us. Your message deserves more than a 3 second glimpse on a highway billboard, or a 20 second radio commercial interrupting your music, and no 5 second glance on the page containing your business card ad in the newspaper. Placemat ads have been used at stagecoach rest stops since President Lincoln's Western land rush program.
